

## October 2018 - Colwin Way

I was disappointed to be unable to attend this month's meeting as Colwin's demo is always good value. Ray kindly made some notes and took some photos and in his words "It is the first time we have had an evening demo where the demonstrator made and finished 5 items. His commentary throughout the demo was very easy to follow and well explained"

The 5 items that Colwin turned were ...

1. Christmas tree decoration
2. Candlestick and base
3. Chair leg
4. Lace bobbin
5. Small bowl with convex top, small bowl with airbrushed colour on the outer and centre edges
